

Astrophysik II: Galaxien und Kosmologie  
WS17/18  
Übungsblatt 13

07.02.2018

**Aufgabe 1.** *Bachelorthesis*

Go through the lecture notes of Astro 1 and Astro 2 and think about in which area of astrophysics you would like to write your Bachelorthesis.

**Aufgabe 2.** *Come to the tutorials*

Come to the tutorials and ask the experts which group in Munich or in Garching can fulfill your needs.

**Aufgabe 3.** *What you ever wanted to ask*

Think about open questions in astrophysics that you wanted to ask but never had the chance to.
